

We realize the importance of a player's education and strive to accommodate the academic calendar as much as possible when planning and scheduling our yearly event structure. The Champions Showcase begins on Friday and will require the participating student/athletes to miss that day from school. Players participating in our showcase are exposed to a large concentration of college coaches. Many of the players competing in our showcase, expand their college options by participating in our showcase. While we understand the importance of education, we also believe that sport has its place for many of our participants. We hope you will understand and excuse the absence of student/athletes from school on Friday of the Champions Showcase.

The dates for the Men's and Women's Champions Showcase events: December 9th-11th, 2022
